Frequently Asked Questions

- ?

How do you save me money?

Our certified clinicians and coders check your charges against your hospital visit records to flag and remove errors and unnecessary charges. We also find additional discounts that you may qualify for, based on your hospital and income.
- ?

How much could I save?

Hundreds or thousands of dollars for a single visit, especially if you haven't met your out-of-pocket limit for the year. This benefit also helps your company keep your premiums low.
