

# New benefit for members of American Workers Association!

CLEVER RX IS THE FUTURE  
OF PRESCRIPTION SAVINGS!

## WHY SHOULD YOU USE CLEVER RX?

**70%**

Over 70% of people ages 18-64 can benefit from a prescription savings card due to increasing costs of high deductible health plans, high copays, and being underinsured or uninsured.

**40%**

40% of the top ten prescription drugs have increased in price by over 100%, while prescription benefits are rapidly decreasing.

**30**

The average family of four gets over 30 prescriptions per year. Many of those prescriptions are either not covered or are too expensive on their health plans.
