

My Association Travel App by Nexit

Announcing the next generation in navigation apps!

The My Association Travel App is a unique navigation tool that knows that the journey should be just as important as the destination. An intuitive road-trip app that delivers more features than Google Maps or Waze, it predicts where you're going and shows you what's at each exit along the way.

A Navigation Platform Focused on Providing Users with Real Time Results

- An intuitive road-trip app that predicts where you're going and shows you what's at each exit.
- Searches for places along your route to prevent doubling back or driving too far out of the way.
- Turn-by-turn voice and visual directions guide you with up-to-date traffic info for the fastest route.
- Search your route by time or distance from where you started or where you're going, so you can see what exits have to offer and plan accordingly.
- City Mode feature helps you navigate your local errands with ease! Need a grocery store, a pharmacy, and dry cleaner near you? Use City Mode to find the closest exit that has all three to maximize your time and keep you on schedule!

Access ALL Your Association Member Benefits in One App!

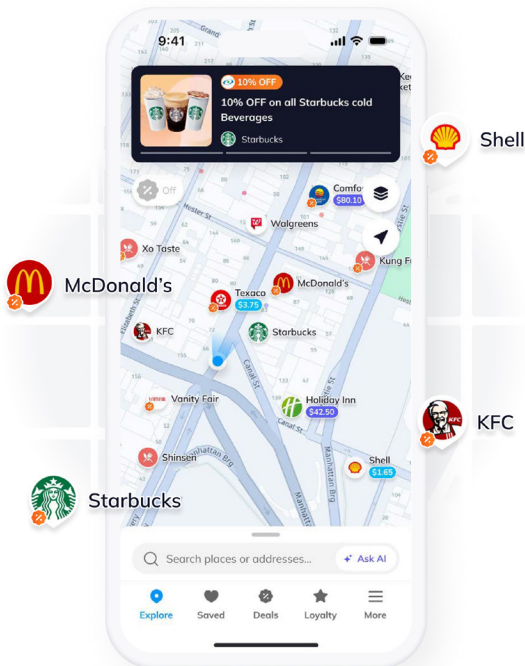

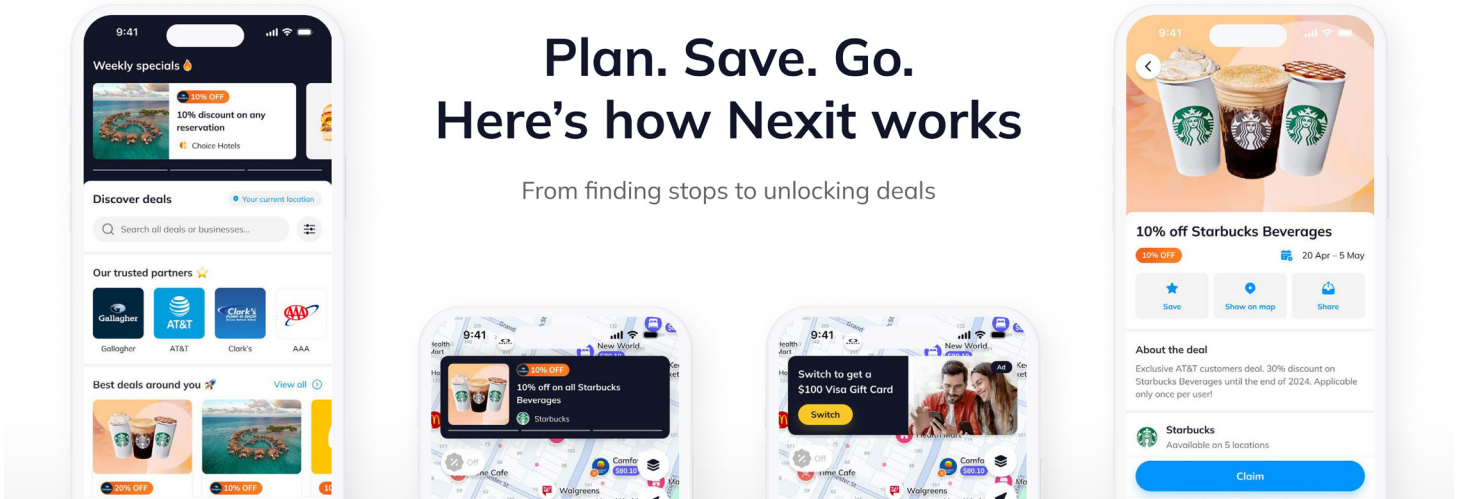

- **Get more use and value out of your membership** by always knowing where you can take advantage of your benefits no matter where you are.
- **Exclusive partnership with today's top brands** and loyalty programs provide drivers with exclusive pop-up offers and discounts in real time, so you can maximize your stop and keep on budget.
- **Cheapest Gas Prices Guaranteed.** View all gas prices for your entire trip, updated in real-time twice a day with the cheapest gas options highlighted.
- **Find additional offers** on restaurants, hotels, gas stations, shops, and attractions up ahead, grouped by exit, and customized by you with as many amenities as you choose and budget guidelines you determine.

Plan. Save. Go. Here's how Nexit works

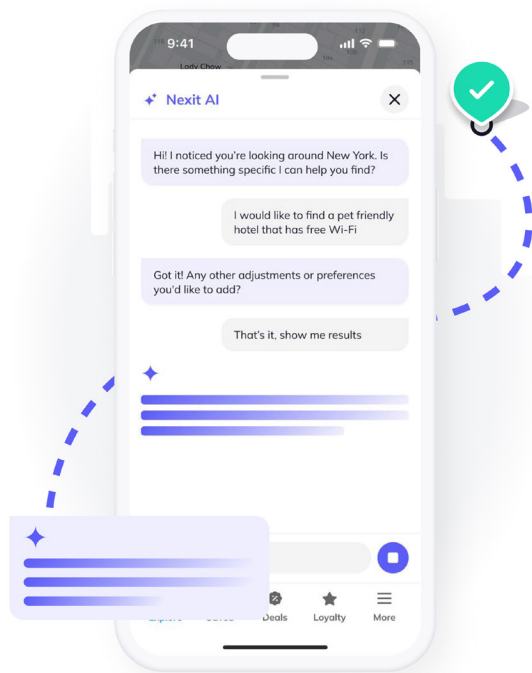

From finding stops to unlocking deals

Step 1: Explore Around & Search

- Open the app to see what's nearby - restaurants, gas stations, hotels, and more.
- Use the search bar to look up specific places, brands, or amenities.
- Get personalized results based on your location or route.

Step 2: Use AI Search

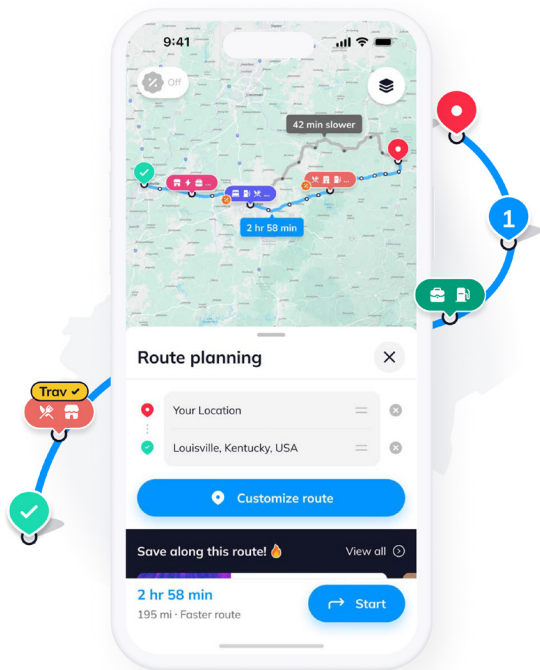

- Tap the “Ask AI” for a smarter way to plan.
- Ask natural questions like:
 - “Where can I get lunch and fill up on gas?”
 - “Find dog-friendly hotels with EV charging nearby.”
- Get intelligent, personalized suggestions based on your location, and preferences.
- Great for multitasking and getting complex answers quickly.

Step 3: Apply Advanced Filters

- Tap the search bar to reveal categories and quick filters.
- Filter results by:
 - Amenities (Wi-Fi, pet-friendly, 24/7, EV charging stations)
 - Hotel and gas price or deal type
 - Business category: Restaurants, Shopping, Attractions, etc.
- Combine filters to get a 100% match that fits all your needs.

Step 4: Set a Destination

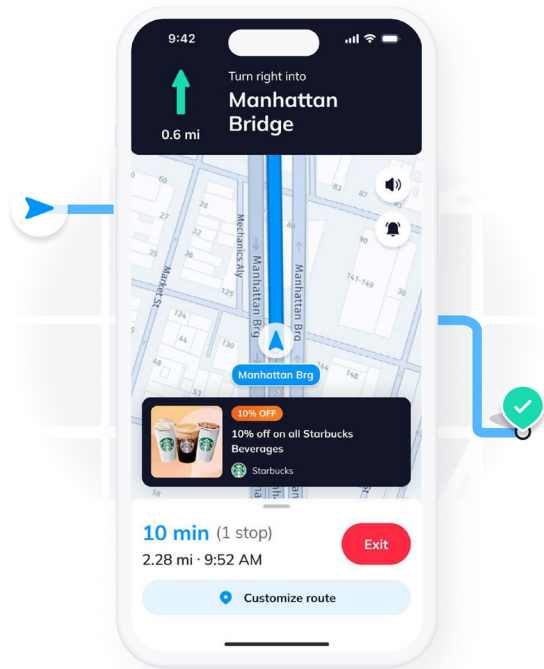

- Search for your destination or tap on a business/location you want to visit
- Tap the "Directions" button to generate your route
- Nexit creates an optimized route for your trip
- You can edit or update your destination at any time

Step 5: Search Stops Along Your Route

- Enter specific filters to find stops ahead (e.g. Food & Drink, Hotel, Free Parking)
- View results based on where they appear along your route
- Add multiple stops in advance to plan your trip your way
- Use TravMatch to combine multiple types of businesses or amenities, and find an exit that has everything you want

Step 6: Start the Navigation:

- Tap "Start" once your route and stops are ready.
- Get real-time, turn-by-turn navigation
- Continue searching and exploring while en route
- After visiting a stop, Nexit smoothly brings you back to your main route

Step 7: Discover and View Deals

- Tap the Deals tab to explore available discounts
- Filter deals by category: Food, Gas, Shopping, Lodging, and more
- Nexit+ members unlock exclusive partner offers
- Save deals and come back to them when you're nearby
- Enjoy personalized offers that match your interests and location
