

Aloe Care Health

Aloe Care offers a better way to care for older adults.

Association members now have access to the world's most advanced voice-activated, in-home medical alert and communication system for older adults.

If help is needed Aloe Care connects to an emergency professional who can assess the situation while family caregivers are notified.

- World's first voice-activated digital care assistant
- Real-time fall-response; environmental monitoring
- Coverage at home or on-the-go
- Robust remote caregiving solution; includes Family App for care collaboration
- Access to 24/7 Professional Emergency Response team
- Keep independent older adults safer, more connected & engaged. Get peace of mind for everyone in the circle-of-care

Members can purchase the Mobile Companion with Fall Detection for \$1 and receive \$20 off care plans.

Device normally sells for \$99.99.

Aloe Care is designed to give older adults and caregivers freedom when they want it, support when they need it, and full-time peace of mind.

All benefits are a-la-carte!
