

Hewlett-Packard Computer & Digital Equipment

Hewlett-Packard, a worldwide leader in computers and other digital hardware, has the right solution for your business or home office. As a member, you receive discounts on HP notebooks, laptops, desktops, servers, printers, digital cameras, handhelds, point-of-sale (scanners, cash registers, etc.) and more.

Discount levels vary based on product - generally from 3%-10% off. Monthly promotions are available such as free shipping on discounted printing supplies, rebates and other value-added member benefits.
