

# SafetyNet Child I.D.

You can't be with your children all the time - especially when they go to school - but you can provide additional protection for those times when they're not with you. By registering your children with SafetyNet Child ID Card Services, authorities will be able to provide faster, more complete help to your child should he/she become missing or abducted.

For each child you register, you'll receive two wallet-sized cards showing the child's photo and vital statistics, including identifying marks and special medical needs. The card also provides instructions for parents on how to quickly notify authorities if an abduction occurs.

*Registration of your first two children is FREE as part of your association membership.*

*Registration of additional children is available for a nominal fee.*

Association members receive with the purchase of a new system:

- 25% discount
- Free indoor camera
- 2 free months of monitoring
