

The TeleDentists

Save time and money! Virtual dentists wherever and whenever a dentist is needed 24/7/365. Our consulting dentists are Board Licensed and carefully screened. No need to miss work or school. Help is right at your fingertips.

The virtual, video consultation starts with a discussion. From there our dentists will ask questions, recommend solutions and provide pain relief recommendations. If medication is needed it can be e-scripted to your pharmacy of choice. If a face-to-face follow-up visit is recommended, our customer service team will find a conveniently located dentist and assist with scheduling.

How to Contact The TeleDentists for Help

01

Visit The TeleDentists website and click on the link labeled "Enter Reception Room" to register on The TeleDentists platform.

*You will need a valid email address to register.

02

Once your email has been validated, you will be taken to The TeleDentists virtual waiting room where you will be asked to provide your personal information and dental concerns.

03

Once your information is submitted, you will be placed in the dentist's video waiting room. She/he will review your information then meet you for the video consult.

*Expect a short wait, less than 10 minutes.

04

The dentist can help re-mediate and relieve your dental problem with non-narcotic prescription or product recommendations.

If you require hands-on treatment, one of The TeleDentists Customer Service Representatives can guide you to a dental office.

It's just that simple! If you need additional assistance, please call the toll-free number and reference your promo code.
