

You can save time and money shopping for a new or used car with the Member Auto Buying Service through TrueCar. Members receive exclusive pricing and price protection, so you will be guaranteed to receive the lowest price.

Members have access to TrueCar's network of thousands of Certified Dealers and will experience hassle-free buying at home and at the dealer.

How It Works

1. **Price Your Car** - See the upfront price and compare it to what others paid. TrueCar pre-arranged pricing, with their network of Certified Dealers, will give you a hassle-free buying experience, at home and at the dealer.
2. **Locate Your Dealer** - Once you have decided on a vehicle, you can connect with local Certified Dealers to schedule a test drive and confirm availability.
3. **Test Drive and Buy** - Print your exclusive Price Protection Certificate and bring it to the dealer for a hassle-free purchase.
